

TORMENTING RHEUMATISM

Columbus, Ohio, May 20, 1903.
Six years ago I had a severe attack of inflammatory rheumatism. I was laid up in bed for six months, and the doctors had did me no good. They changed medicines every week and nothing they prescribed seemed to help me. Finally I began the use of S. S. S. My knee and elbow joints were swollen terribly, and at one time my joints were so swollen and painful that I could not close them when opened. I was so bad that I could not move knee or foot. I was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was helping me I continued it, and to-day I am a sound well man and have never had a return of the disease. S. S. S. purified my blood and cured me of this severe case of rheumatism after everything else had failed. I have recommended it to others with good results.

The poisonous acids that produce the inflammation and pain are absorbed into the blood and rheumatism can never be conquered till these are neutralized and filtered out of the blood and system. S. S. S. goes directly into the circulation and attacks the disease itself. It purifies and restores the blood to a healthy, vigorous condition. It contains no potash, alkali or other strong minerals, but is guaranteed entirely vegetable. Write us and our physicians will advise without any charge whatever. Our book on Rheumatism sent free.

"My father had been a sufferer from sick headache for the last twenty-five years and never found any relief until he began taking your Cascarets. Since he has begun taking Cascarets he has never had the headache. They have entirely cured him. Cascarets do what you recommend them to do. I will give you the privilege of using his name." E. M. THEATERS WELL PATRONIZED.

Seats at High Premium—Thanksgiving Day Sermons.

New York, Nov. 25.—It is estimated that between 30,000 and 55,000 persons attended Thanksgiving performances in the New York theaters and that, counting the matinees, there were 75,000 paid admissions. The total taken in at box offices aggregated about \$100,000. Every theater with possibly two exceptions was packed from pit to gallery.

It was impossible to get at theater box offices a seat for any of the more popular plays three days ago. Speculators held a good many seats until evening when they got fancy prices. Several pairs were disposed of at \$15 a pair, and \$8, \$10 and \$12 was frequently asked.

In their Thanksgiving sermons nearly all of the leading ministers devoted themselves to the results of the recent campaign and to the outlook for the future of the country.
